

14th Annual Zoom! Yah! Yah! Indoor Marathon Registration Form

6:30 AM – Sunday, January 6, 2019

Tostrud Field House on the campus of St. Olaf College, Northfield, MN

Course: The marathon course (USA T&F Certified MN-07026-RR) will be 150 laps on the upstairs running track (282 meters) in the Tostrud Field House. Each runner will have a member of the St. Olaf College Women's Track & Field/Cross Country Team to count and record each lap. Your finisher's certificate will be the completed Lap/Time Card. We will have a large digital display clock at the Start/Finish line.

Qualifying Standard: Due to facility & time limitations, we will only accept entries from runners who have run a sub-6 hour marathon between 1/1/2017 & 12/31/2018. We reserve the right to make exceptions based on individual circumstances.

Field Size: The maximum field size for the 2019 Zoom! Yah! Yah! Indoor Marathon will be 58 runners.

Lottery Registration: Due to the number of runners wishing to run the Zoom! Yah! Yah! Indoor Marathon, we will use a lottery system again for 2019. Marathoners wishing to run need to complete a registration form and mail it with a check (dated September 1, 2018) for \$80 so that it reaches Northfield, MN by August 29, 2018. On September 1, 2018 we will 'draw' 58 registrations and these runners will be in the marathon. If we do not have a full field of 58 runners on September 1, we will add runners as their registrations arrive until we reach a field of 58 runners. No runners will be added once we reach a field of 58. The \$80 registration fee includes a ticket to the Saturday night pre-marathon dinner, a finisher's certificate, a finisher's shirt, a finisher's medal, free access to hundreds of marathon photos that you may print at no cost, and many great memories!

Check payable to **Zoom! Yah! Yah!** and Mail to: St. Olaf College, Conference & Events, 1520 St. Olaf Ave, Northfield, MN 55057

Frequently Asked Questions (FAQ)
2019 Zoom! Yah! Yah! Indoor Marathon Information Packet
Sunday, January 6, 2019 - 6:30 AM

This is your Zoom! Yah! Yah! Indoor Marathon Information Packet. There are 33 Frequently Asked Questions (FAQ), plus a comment by the Zoom! Yah! Yah! Indoor Marathon Director. We believe that these FAQ will answer 98.179 % of your questions. However, if you have a question that is not addressed in this section, please contact Dick Daymont.

Also, please keep these questions handy as you will probably want to re-read this information if you run with us on January 6, 2019.

Q #1 – May I still send in a registration form and check after the August 31 deadline?

A – Yes.....if we do not have a full field of 58 runners we will accept registrations until the 58 runner limit is reached. Please email Dick Daymont at dick@northfieldrunning.com to find out if the field size has been met.

Q #2 – Is there a qualifying time to enter?

A – Yes. In order to run in the 2019 Zoom! Yah! Yah! Indoor Marathon a runner will need to run a sub 6 hour marathon sometime between January 1, 2017 and December 31, 2018. (We reserve the right to make exceptions based on individual circumstances.) We have set a 6 hour qualifying standard because of the time limitation that we have to use the Tostrud Field House running track. However, we will not shut the course down if a runner has not completed the marathon at 6 hours. We will continue to time all registered runners until they finish.

Q #3 – Will there be a lottery for 2019?

A – Yes. We will select the 58 person field for the 2019 Zoom! Yah! Yah! on September 1, 2018. However, we will accept registrations as they are received if we have not reached our 58 runner field size by September 1. We no longer have a Wait List system.

Q #4 - Where is the Zoom! Yah! Yah! Marathon contested?

A - The Zoom! Yah! Yah! Indoor Marathon will be contested in the Tostrud Field House on the St. Olaf Campus. You will run 150 laps on the 282 meter track = 42,300 meters. Yes, you will run 62.805 meters further than a certified marathon course (42,195 x 1.001 = 42,237.195 meters).....BUT, you will have a great adventure! If you do not know where the Tostrud Field House is located on campus, please go on line (stolaf.edu) and check the campus map.

Q #5 – Is there adequate parking available for both the packet pick-up/dinner and the marathon?

A – Absolutely! Parking is ample on the St. Olaf campus. The most centrally located parking lot for your packet pick-up/dinner is adjacent to the Buntrock Commons. You may park in any spot marked "Faculty/Staff/Visitor Parking." For the marathon on Sunday morning you will want to park right next to the Tostrud Center. We suggest that you go to stolaf.edu and access the campus map to orient yourself to both the Buntrock Commons and the Tostrud Center. You do not need a parking pass for your Zoom! Yah! Yah! Indoor Marathon adventure!

Q #6 – Is the Zoom! Yah! Yah! Indoor Marathon course certified?

A – Yes! The Zoom! Yah! Yah! Indoor Marathon Course was USAT&F certified on 7/17/2007 (MN-07026-RR)

Q #7 – Is the Zoom! Yah! Yah! Indoor Marathon a Boston Marathon Qualifier?

A – No! Although we are a USAT&F certified marathon, Boston has a regulation (we named it the Randy Peterson Rule) denying indoor marathon qualifying times. Northfield runner and 3-Time Zoom! Yah! Yah! Indoor Marathon Champion Randy Peterson is, as far as we know, the only person ever allowed to run Boston using an indoor marathon qualifying time!

Q #8 - How is the marathon contested?

A - The marathon will consist of 150 laps on the upstairs 282 meter running track. Runners will change directions every 30 minutes. (Each runner will complete the lap he/she is on before changing direction.)

Q #9 - Will runners receive splits?

A - There will be a large display clock at the START-FINISH line displaying times during the entire marathon. You will run by this clock every lap. In addition, members of the St. Olaf Women's Track & Field and Cross Country Teams will be recording everyone of your lap splits on your "Finisher's Certificate". Because each mile is 5.7 laps and because we change directions every 30 minutes, we are unable to post actual mile markers.

Q #10 – Will every runner receive a shirt and a finisher's medal?

A – All marathoners will receive a 2019 Zoom! Yah! Yah! Marathon shirt and all finishers will receive a 2019 Zoom! Yah! Yah! Indoor Marathon Finishers Medal.

Q #11 – Will there be a medical coverage on site?

A – Yes, we will have on-site medical coverage at the 2019 Zoom! Yah! Yah! Indoor Marathon and access to a 911 Emergency Response Team from the Northfield Hospital. All runners will be required to complete an emergency medical information form before the start of the marathon that lists any/all conditions and/or possible problems that they have. This could be very valuable to our doctor in the event that you need medical assistance.

Q #12 - What about spectators?

A – Spectators are welcome and you may bring your support team! Members of the St. Olaf Women's Track & Field and Cross Country Teams will be recording your time after each lap and offering unbelievable encouragement. Also, since you will be running by the spot where your personal support will be standing every 282 meters, you will receive all the support you need!

Q #13 – Can I have friends run part/all of the marathon with me?

A – No! We expect to have a full field of runners and extra bodies on the track will just make it harder to pass/go around other runners. We do reserve the right however, to allow runners when running their final (150th) lap to have someone run with them.

Q #14 – What can we expect as far as “weather” is concerned?

A – The temperature will be 54-66 degrees and we will guarantee that it will not rain, snow, sleet or hail and that there will be no wind! That being said, the air will be relatively dry and you will be running in low humidity. If you wear contact lenses you may want to have some eye-drops with you although we don't believe that this has been a problem in 2006, 2007, 2008, 2009, 2010, 2011, 2012, 2013, 2014, 2015, 2016, 2017 or 2018.

Q #15 - Will there be port-a-potties on the course?

A – No! But there are large restrooms 60 meters from the track...no waiting in line at the Zoom! Yah! Yah!

Q #16 – Will there be music?

A – Yes, music will be played through the Tostrud Field House sound system during the entire marathon.

Q #17 – How does changing direction every 30 minutes work?

A – At the 30, 60, 90, 120, etc. minute mark we will place a large orange traffic cone in the middle of the track on the Start-Finish line. You will complete the lap that you are on running in lane #1 and lane #2. As you run past the cone you will turn and change direction and then continue running in lane #3 until you have passed all incoming (remaining) runners.

Q #18 – Is there a time limit?

A – No! The marathon begins at 6:30 AM and the running track will be open to just marathoners until 12:00 noon (5:30 hours). At 12:00 noon the track will be open to the St. Olaf College Community so there may be runners/walkers on the track at that time. We will continue to count laps and record times until everyone is finished.

Q #19 – What kind of replacement fluids and “food” will be at the aid stations?

A – You are expected to bring your own bottles of replacement fluid. We require that you use a bottle as we believe that this will result in less spillage onto the running track than if you were to use a cup. You may carry your bottle or leave it on any of four ‘corner’ tables located on the running course. There are also 2 water fountains (one water fountain has a bottle filler capability) located adjacent to the course. You are also expected to provide your own “fuel”...GU, bagels, bananas, M&M’s, chocolate milk, Gatorade etc. as you know what you want to eat.

Q #20 - How far is Northfield from the Minneapolis-St. Paul (MSP) International Airport?

A – The Minneapolis-St. Paul International Airport is 38 miles from Northfield.

Q #21 – Will there be showers available after I finish?

A – Yes, you may shower in the Tostrud Field House when you finish. We will supply those who are flying in/out of Minneapolis/St. Paul with a clean towel if you would like one. Please let us know ahead of time (by e-mail) if you would like us to provide you with a towel. Runners who are coming into Northfield via a car are expected to bring their own towel.

Q #22 – Are there motels in the area?

A – Yes, we have several motels in Northfield to accommodate you: AmericInn (2 miles from the Field House) 507-645-7761; Archer House (a historic river hotel 1.50 miles from the Field House) 507-645-5661; Country Inn & Suites (1 mile from the Field House) 507-645-2286; America’s Best Value Inn & Suites (formerly Super 8) (2.5 miles from the Field House) 507-663-0371; Froggy Bottoms River Suites (1.25 miles from the Field House). Also, there are literally hundreds of motels in the Greater Twin Cities metro area. **Also, there is a Marriott Fairfield Inn currently under construction in Northfield. I believe it is scheduled to be ‘in business’ this fall. I will let all registered runners know when they will begin taking reservations.**

Q #23 – Where/when is Packet Pick-up?

A – Packet Pick-up will be between 4:30 PM to 6:30 PM in the Valhalla Room on the 3rd floor of the Buntrock Commons on Saturday night **and** at the Tostrud Field House beginning at 5:30 AM on race morning.

Q #24 – Will there be a pre-marathon dinner on Saturday night?

A – Yes, the Pre-Marathon Dinner begins at 5:00 PM (following Packet Pick-up that begins at 4:30 PM) in the 3rd floor Valhalla Room of the St. Olaf College Dining (**Buntrock Commons**) Hall. The cost of the marathoner’s meal is included in the 2019 registration fee. The 2018 cost of additional tickets for friends/family was \$12.27 for adults and \$6.14 for children 5-12. The dinner will be an all-you-can-eat buffet and includes several entree’ selections plus a large choice of salads, vegetables, deserts and beverages. St. Olaf does not serve/allow alcoholic beverages on campus. **We honestly believe that this is the best pre-event dinner that you will find on the marathon circuit!**

Q #25 – Is there a Zoom! Yah! Yah! Indoor Marathon Expo?

A – Not really.....Due to the small size of our marathon, we do not have much, as far as memorabilia, to offer. However, we do have a drawing during the Saturday evening gathering for door prizes. Also, in addition to your Zoom! Yah! Yah! finisher’s medal, finisher’s certificate and marathon shirt, we sometimes have hats and other clothing items available. Hopefully you will be able to join us at 4:30 on Saturday for the packet pick-up and pre-marathon dinner and to meet old and/or new friends.

Q #26 – Will we have an opportunity to run on the “marathon course” prior to race morning?

A – Absolutely! The “marathon course” in the Tostrud Field House will be open for you to warm-up on from 2:00 PM to 3:30 PM on Saturday, January 5. This will give you time to be at the packet pick-up at 4:30 PM.

Q #27 – Are head-sets, baby-joggers or pets allowed while running?

A – No. Due to the limitation of the facility we do not allow head-sets, baby-joggers or pets. We do have music played the entire time through the Tostrud Field House sound system.

Q #28 – When I run an outdoor marathon there are plenty of places to spit if I need to. Will I be able to spit in the Zoom! Yah! Yah! Indoor Marathon?

A – This is a great question, and YES, you will be able to spit. There is a large trash receptacle located at all 4 corners (aid stations) for spitting. Please use these and refrain from spitting on the track or in any of the water fountains.

Q #29 – Do you have an elevation chart?

A – Absolutely! As you will see below, there are no elevation changes: 1012 feet above sea level the entire race!

1012 feet-----1012 feet

Q #30 – How many runners have completed the Zoom! Yah! Yah! Indoor Marathon from 2006 - 2016?

A – In 2006 we offered both a half-marathon and a full marathon with 5 men and 2 women finishing the half-marathon and 8 men finishing the full marathon. Beginning in 2007, we offered only a full marathon race.

Q #33 - What pace will I need to run each lap to run a 3 hour marathon?...a 4 hour marathon?...a 5 hour marathon?

A - You will need to average 72 seconds (1:12) per lap to run 3:00; 76 seconds (1:16) to run 3:10; 80 seconds (1:20) to run 3:20; 84 seconds (1:24) to run 3:30, etc. To run a 4:00 marathon you will need to average 96 seconds (1:36) per lap; to run a 5 hour marathon you will need to average 120 seconds (2:00) per lap and to run a 6 hour marathon you will need to average 144 seconds (2:24) per lap. In order to figure the pace you will need to run for a specific time, multiply the total minutes by 60 and then add any additional seconds. Next, divide the total seconds by 150 and this will give you your lap pace in seconds.

Race Director's Comments: The 14th Annual Zoom! Yah! Yah! Indoor Marathon is scheduled to take place on Sunday, January 6, 2019.
